

# A PIPEHACKER HALLOWEEN!

This Halloween, you can be one of the greatest pipers who ever lived! Print this file on normal card stock. Cut carefully around the **outer edges**. Gently cut out the **eye holes**.

Poke two holes as shown and **string the ends of a cut rubber band** through and **knot the ends** so they don't slip out and, **vóila! You are G.S. McLennan!**
